

COFA Community Health Care Plans Sign Up Day

- Get help to find, compare and choose health plans for yourself and your family
- Get help to determine if you and your family is eligible for low-cost or no-cost health plans
- Get help to find if you and your family qualify for financial help to lower your cost of health care

MU-BI is co-sponsoring this event with the Pacific Island Student Center at UHH, community church leaders, and Hawaii Health Connector to help our COFA community members on the Big Island sign up for affordable health care plans for individuals and families. Please come with Photo ID, Passport (even if expired), and household income information so you can sign up for coverage for yourself and your family before the deadline date of Feb. 15th 2015
