Nathan Fitch, filmmaker

Thomas Raffiپی, T&T Electric

Max Yawaramai, Resort Management Group

Board, Micronesians United – Big Island (MU-BI)

At Home While Away tells the stories of eight migrants from Micronesia, who have traveled many thousands of miles to seek a better life for themselves, and their families. Told in their own voices with beautiful cinematography, the documentary presents a contrasting view to the negative media coverage of the Micronesian experience in Hawaii, and the US mainland. *At Home While Away* asks viewers to consider the definition of success, from a perspective that places great value on family, and community.

Language: English | Length: 55 minutes | Cost: Free
